

# Facilities

The Port Adelaide District Hockey Club synthetic ground is available for hire to other hockey and sporting organisations.

The hockey pitch is an FIH Category 1 turf. The floodlighting is 500 lux (FIH international standard for non-televised hockey). The ground is enclosed with total perimeter fencing for security and safety.

We also offer undercover seating for spectators and free use of the Pergola and BBQ area for hirers.

The club has 4 unisex change rooms, 2 umpire change rooms, a disability toilet with baby change facilities.

The clubrooms, bar and kitchen facilities may be available (discuss with the Bookings Officer – extra charges may be incurred).

The above fees include GST (effective 1 January 2020)

1. Regular bookings are classed as 6 or more bookings made at the same time of at least one hour each, and qualify for the discounted "regular class" rate. This will only apply if the conditions of use (issued upon booking confirmation) have been complied with and there is no cause for complaint.
2. Half field rates vary depending on whether we are able to book the other half of the field to another user or are using it ourselves. Single rate = no booking on other end. Double = other end booked by another hirer.

Seven (7) days cancellation notice is required for all bookings, or full charges will be incurred.
